

## EUROSMART COSMO

### Cosmopolitan design, complete solutions at a smart price

The range consists of a single lever; high spout; 2 hole or 3 hole basin mixer option this ensures compatibility across all draw-off points and delivers stunning GROHE design to this segment of the market.

## FLUSH PLATES

### Add a personal touch to the bathroom

Exceptional materials and finishes revolutionise the range of GROHE flush plates. Highlights include glass surfaces as well as striking graphic elements. Whilst wood-décor surfaces allow for distinctive styles that complement the latest bathroom trends.

AVAILABLE APRIL

## EUPHORIA COSMO

### Small is beautiful - Ideal for retrofit installation

Compact size and competitive price – the Euphoria Cosmo hand shower is packed with all the features one comes to expect from GROHE. Euphoria Cosmo can be purchased alone or as part of a shower set, which includes a hose and either a shower holder or shower rail. The shower set features EasyFix brackets – a flexible fixing system for easy installation, even in retrofit situations.
